Members of the public wishing to address the Board on matters within the jurisdiction of the board may do so by completing the appropriate form and handing it to the District Clerk. Persons submitting the form will be called upon when PUBLIC COMMENT is reached on the agenda. A California Law called the "Brown Act" sets the guidelines for conducting public meetings. While the Brown Act does not allow discussion or action on items not on the agenda, it does allow members of the Board, or its staff, to "briefly respond" to comments or questions from members of the public; refer the matter to staff; or direct staff to place the issue on a future agenda. If an item is agendized, interested persons may address the Board during the Board's consideration of that item. On occasion it may be necessary to limit the time per speaker. That limit will be announced prior to the agenda item and will generally be three minutes per speaker. Per Government Code § 54956.
